INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 C.F.R. §1.56, Applicant wishes to call the attention of the Examiner to the information identified in the attached forms PTO-1449. It is requested that the information and art be made of record and included on the 'references cited' portion of any patent issuing from this application.

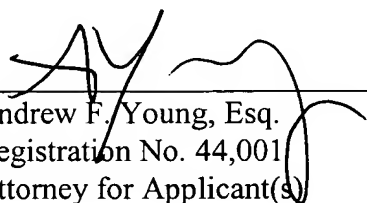

Applicant respectfully requests that the Examiner consider the materials cited in the enclosed PTO-1449 in the examination of this application.

The Commissioner is authorized to charge the amount of \$180 to Deposit Account 10-0100, since the Information Disclosure Statement is being filed after a first Office Action in this Application.

The citation of the information does not, and is not intended to, constitute a waiver or admission of priority or that any cited item is available as a reference, alone or when combined, or a waiver of any right under applicable statutes, codes, rules, or otherwise.

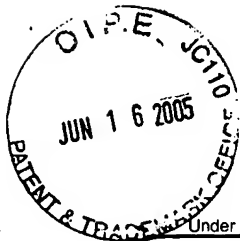

It is therefore believed that the Examiner will concur with applicant's belief that the subject matter presently claimed is neither anticipated nor rendered obvious by such references.

Respectfully Submitted,

Andrew F. Young, Esq.
